# *Terms and Conditions of Sale*

**TERMS**—The terms of the sale are cash, unless other arrangements are made with the consignor from whom the cattle are purchased before the sale commences and the sale manager is notified of the arrangement. Buyers who are not known to the sale manager will bring bank references. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at the buyer's risk as soon as bid off, but the management will attend to loading on cars or trucks in compliance with instructions from the purchasers.

**GUARANTEE**—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state. All cattle have been blood tested for Bang's Disease and Tuberculosis within a period of thirty days prior to the sale, unless calfhood vaccinated and under 24 months of age. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller if in as good condition as when bought and, if, after a test in the seller's herd, he still fails to breed, he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other females sold are guaranteed to be breeders.

Animals returned to sellers because they do not comply with guarantee will be at buyer's cost of transportation.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the Indiana Polled Shorthorn Association, Inc., the Sale Manager, nor the Clerk of the sale assumes any liability, legal or otherwise.

A certificate of registry and a signed transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

All footnotes were written by the consignors.

We will not be responsible for any accidents that may occur but will make every effort to provide for the safety and comfort of our guests.

Any announcement or correction of material in the catalog made from the auction stand on sale day will take precedence over the matter in the catalog.

**MAIL BIDS**—Those wishing to buy at this sale, who cannot be present, may send their bids to H. W. Walker, 904 East 38th St., Indianapolis 5, Indiana, or telephone Walnut 5-6273; Hal Longley, The Shorthorn World, 16 S. Locust St., Aurora, Illinois; to any of the consignors, field men or officers of the State Association.

**CHARLES J. LYNN TROPHY**

**★GLATWYN BEAUTY X2869-128.** We think we are offering a good heifer that is certainly bred to be a good one. Study her picture, the pedigree and plan to see the heifer. We bought her dam at the top price of the Indiana State sale. The next dam was a Nugget daughter and a brood cow at Lynnwood, and Edellyn Beauty 24th was the top selling female in the Edellyn sale. This Beauty family has produced many top cattle at Edellyn, and we wanted this family in our herd. We have a full sister to this heifer and her young mother. She comes out of the show herd and already has stood second at Illinois and third at Ohio to the Champion and Reserve Champion females. We want to reserve the right to show her at Chicago and she can be picked up either there or at the farm. Calfhood vaccinated for Bangs. Selling open.
